BAR BULLETIN NO. 11, S. 2022

**EXTENSION OF THE DEADLINE FOR REGISTRATION OF
EXAMPLIFY ACCOUNTS
AND THE SAMPLE EXAMINATIONS**

In the Frequently Asked Questions on the Digitalized Examinations for the 2022 Bar Examinations, as well as in Bar Bulletin No. 9, S. 2022, the deadline for examinees to take both Sample Examinations 1 and 2 was set on October 21, 2022. Similarly, all examinees must have registered and installed Exemplify on the laptops that they will use for the 2022 Bar Examinations by said date.

The Court is aware that there are still examinees who have yet to secure a device that meets the minimum system requirements for Exemplify to seamlessly run in. Others encountered technical issues that require the repair of their devices beyond the said deadline.

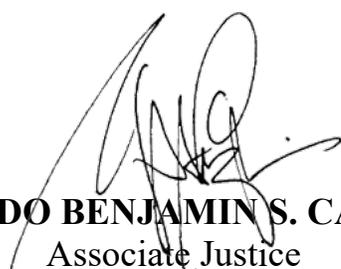

In order to give ample time for all examinees to install Exemplify on the laptops that they will use for the 2022 Bar Examinations, and to allow examinees to become more familiar with the tools and features available in the said software, the deadline for registration, and for both Sample Examinations 1 and 2 is extended to **October 31, 2022**. Those who fail to comply risk the deactivation of their Exemplify accounts.

Examinees are reminded that they should upload an answer file for both Sample Examinations by the extended deadline. Furthermore, examinees who requested an additional download of the Exemplify installer, or those who installed Exemplify on a new laptop after taking the Sample Examinations, should complete both Sample Examinations again on their new device.

Once again, examinees are strongly encouraged to download and install Exemplify, and take the Sample Examinations on the same laptops that they will be using for the 2022 Bar Examinations to ensure their compatibility with the program.

For your information and guidance.

October 21, 2022.
