2.2.Institutional arrangements. To delineate the functions of all national government agencies, leagues of local government units and all other relevant sectors involved in the registration of fishing boats three (3) gross tonnage and below.

2.3.Implementation and monitoring. To establish mechanisms to implement this Order and enable all agencies involved to monitor compliance.

Sec. 3. Roles of the Agencies and LGUs

3.1.The MARINA and PCG shall extend technical assistance and support to the local government units with respect to registration of fishing vessels as provided for in E.O. 305 and maintain a separate data bank of the list of registered fishing vessels registered. With the exception of the registration functions as devolved, the MARINA and PCG shall continue to exercise visitorial functions to enforce compliance with the Revised Philippine Merchant Marine Rules and Regulations and all other existing laws, rules and regulations on maritime safety.

Said offices shall also assist the LGUs to qualify and issue appropriate documents to the fisherfolk to operate a motorized fishing vessel.

3.2.The BFAR shall maintain a separate data bank of the list of registered fishing vessels for record purposes and monitoring of level of fishing effort.

Sec. 4. Scope of Devolved Registration Functions

4.1.The registration is limited to the conferment of identity to the fishing vessel and does not serve as an authorization or license to fish in municipal waters, which shall be the subject of a separate application with LGU in accordance with its fishery ordinance and RA 8550.

4.2. The devolution does not prevent the MARINA and the PCG to exercise their visitorial functions to enforce compliance with the Revised Philippine Merchant Marine Rules and Regulations and all other existing applicable laws, rules and regulations on maritime safety.

Sec. 5. The General Registration Guidelines

5.1. Application

The LGUs must require the applicant to file an application under oath using a standard application form (Annex A), which shall contain the following information: name of owner, nationality, residence, type and make of fishing vessel and propulsion, and other pertinent information that the LGU may require.

Only Filipino citizens, single proprietorships, partnerships and/or corporations and duly registered or accredited fisherfolk associations and cooperatives, are eligible to apply for registration.

5.2. Tonnage Measurement

The LGUs with the assistance of MARINA and PCG shall train and authorize a pool of inspectors to conduct an inspection of the fishing vessel to determine its gross tonnage using the metric formula as follows:

$$\text{Gross Tonnage} = \frac{\text{Tonnage Length} \times \text{Tonnage Breadth} \times \text{Tonnage Depth} \times 0.70}{2.83}$$

The inspector shall certify the correctness of the admeasurement in the standard tonnage measurement form (Annex B).

5.3. Certification from the Philippine National Police

The LGUs shall require the applicant to secure a clearance from the PNP Maritime Office in the LGU or in its absence, the local PNP, certifying that the fishing vessel is not involved in any criminal offense.

5.4. Issuance of Certificate of Number

The LGUs shall issue a Certificate of Number using the standard format (Annex C) once all the documentary requirements are fully complied with and upon payment of the registration fee.

5.5. Payment of Fees

The LGUs shall require the applicant to pay the prescribed registration fees

5.6. Official Number, Assignment of Name and Marking of Vessels

5.6.1. Official Number

The LGUs shall assign an official number to a registered fishing vessel, which shall correspond to a code specifying the Province, and LGU as listed in Annex D, which shall be painted, permanently marked or plated on both sides of the forward portion of the fishing vessel.

5.6.2. Assignment of Name

The LGU, upon request of the owner/operator, may assign a name to the fishing vessel. A name shall be assigned to only one (1) fishing vessel regardless of type of fishing gear. If the proposed name has already been assigned to another registered boat, the owner or operator has the option of adding letters of the alphabet, any Arabic number or Roman numeral which can be represented by words or its numeric equivalent, to the proposed name.

The name of the fishing vessel shall be painted on both sides of the mid portion of the fishing vessel.

5.6.3. Color Coding System

The LGU may institute a vessel-marking or color coding system within its municipality.

Section 6. Monitoring of Registered Fishing Vessels

The LGU shall institute a monitoring system to determine compliance with E.O. 305 and its Implementing Guidelines.

The LGU shall take into consideration in its legislation other factors to guide them in approving the registration of fishing vessels, such as but not limited to the carrying capacity of its marine resources and the constitutional and statutory preferential rights of municipal fisherfolk within the municipal waters.

Section 7. Issuance of new Certificate of Number

The LGU shall issue a new Certificate of Number in case the fishing vessel changes its homeport.

A change in homeport may occur in case the owner/operator decides to change residence or principal office, or sells or transfers ownership of the fishing vessel to a person or entity with domicile in another LGU; the LGU shall, upon application for a change of homeport, issue a certificate of clearance and shall delete the registration of such fishing vessel from its register.

No clearance for the change of homeport shall be issued by the current homeport under the following instances:

1. the single proprietorship, partnership, corporation or fisherfolk cooperative has no branch office in the intended homeport;
2. there is an outstanding safety requirement, which the boat has to comply;
3. the fishing vessel is involved in a pending criminal or administrative case for violation of a fishery law or ordinance or a civil case regarding questions of ownership.

The new homeport shall issue a new CN upon filing of an application for issuance of a new CN supported by the following documents:

1. The original copy of the CN; and
2. Clearance to change homeport issued by the current homeport

Upon approval of the change of homeport, all records pertaining to the boat shall be transmitted by the previous homeport to the new homeport.

- a. change in ownership or transfer of the fishing vessel without change in homeports;
- b. change in the engine of motorized fishing vessel;
- c. change of name.

A. In case the fishing vessel is the subject of sale or transfer of ownership, the LGU government shall re-issue the CN, containing the amended information on ownership upon application of the new owner or transferee, and subject to compliance with following requirements:

1. Submission of a duly notarized Deed of Absolute Sale;
2. Posting in the Barangay or Town Hall for seven (7) consecutive days giving notice that the fishing banca has been sold or transferred to a new owner;
3. Affidavit of Publication executed by the Barabgay Captain or Town Mayor that said notice had been posted in the premises and that there are no oppositors to the fishing boat's sale; and
4. Original copy(ies) of the CN.

B. In case of change in the engine

In case of replacement of boat engine, an application for the issuance of new CN shall be filed with the current homeport accompanied by the following documents:

1. The original copy of the CN;
2. Official Receipt of Purchase of Engine; and
3. Police Clearance that the engine purchased is not from a carnapped/stolen vehicle.

C. Change of name of the boat

The LGU shall re-issue a CN when an owner or operator desires to change the name of his boat, upon application filed with the current homeport, stating the reason for such.

An application for change of name will not be approved if the boat is involved in civil case regarding question of ownership or in a criminal or civil case for violation of a fishery law or ordinance.

Only applications with complete documentary requirements shall be accepted. The following are the documents that should be attached to the application:

1. The original copy of the CN;
2. The Posting of a notice in the Barangay or Municipal Hall on the Change of Name of the boat, for a period of seven (7) consecutive days;
3. Affidavit of Publication executed by the Barangay Captain or Town Mayor that notice had been posted and that no opposition or claims were filed against the boat during the seven-day period of publication.

Sec. 9. Deletion or Cancellation of Registration

In case of loss or decay of the fishing vessel, or its involvement in a marine/maritime incident, the owner/operator shall immediately inform the LGU. The latter shall delete or cancel the fishing vessel's registration.

The LGU may also cancel or delete the registration of the fishing vessel for other lawful causes, after duly notifying its owner/operator and compliance with the requirements of due process.

Sec. 10. Record-Keeping and Submission of Reports

The LGU shall maintain up-to-date records of fishing vessels three (3) gross tonnage and below under their jurisdiction, and regularly submit to the MARINA Central Office or MARINA Regional Office concerned, the PCG Station/Detachment and DA-BFAR the list of vessels registered and deleted/cancelled within the first quarter of the succeeding year.

After which, they shall enact an appropriate ordinance for this purpose, without prejudice to LGU's undertaking registration pursuant to an ordinance and upon proper training of their personnel. The LGUs shall notify, in writing, the MARINA and PCG of their readiness to assume fishing vessel registration function.
