5. **Use and Release of the National Programs.** The amount of Eleven Billion Seven Hundred Twenty One Million Three Hundred Seven Thousand Pesos (P11,721,307,000) appropriated herein shall be used exclusively for the National Programs for Rice, Corn, High Value Commercial Crops, and Livestock: PROVIDED, That in the implementation of said Programs, the DA shall prioritize (i) the areas where the majority of small farmers and fisherfolks registered under the RSBSA are located; and (ii) the provinces or regions where the absolute number of poor farmers and/or fisherfolks and the incidence of poverty are high as identified in the latest official poverty statistics of the National Statistical Coordination Board (NSCB). In no case shall said amount be used for any other purpose. Release of said amount shall be subject to submission by the DA to the DBM of the master plan for post-harvest development services and facilities prepared by the DA pursuant to Special Provision No. 10 hereof.

6. **Implementation of Farm-to-Market Road Projects.** The amount of Twelve Billion Pesos (P12,000,000,000) appropriated herein for FMR projects shall be used exclusively for the repair, rehabilitation and construction of FMRs: PROVIDED, That said amount shall be released directly to the DPWH upon submission by the DA to the DBM of a network plan preferably upon the effectivity of this Act to ensure timely procurement and/or implementation of the FMR projects: PROVIDED, FURTHER, That the network plan shall include: (i) the over-all rationale and objective of the plan; (ii) implementation strategy; (iii) the location of FMRs which must lead to arterial or secondary roads and key production areas; (iv) the estimated length in kilometers of FMRs to be constructed; (v) the costing, construction design, and specifications consistent with the standards set by the DPWH for FMR projects; and (vi) project components: PROVIDED, FURTHERMORE, That the DA shall prepare the network plan, in coordination with the LGUs and resident-farmers including agrarian reform beneficiaries taking into account the number of farmers and their families who shall benefit therefrom and the amount, kind and importance of agricultural products produced in the area: PROVIDED, FINALLY, That the DA shall prioritize the: (i) areas where the majority of small farmers and agrarian reform beneficiaries registered under the RSBSA are located; and (ii) provinces or regions where the absolute number of poor farmers and the incidence of poverty are high as identified in the latest official poverty statistics of the NSCB. In no case shall said amount be used for any other purpose.

The DPWH shall formulate a strategy to ensure the timely implementation of FMR projects such as, but not limited to, the clustering of projects for cost efficiency in the procurement thereof and effective management and implementation of FMR projects.

The Secretary of Agriculture and the Agency's web administrator or his/her equivalent shall be responsible for ensuring that the network plan for FMRs, community of farmers including agrarian reform beneficiaries, FMRs to be constructed for the year with the corresponding budgetary allocation, status of implementation of said projects, and project evaluation and/or assessment reports are posted on the official website of the DA.

7. **Monitoring and Evaluation of Farm-to-Market Road Projects.** The amount of One Hundred Fifty Million Pesos (P150,000,000) appropriated herein for monitoring and evaluation of FMR projects shall be used exclusively for the hiring of third party agencies, entities or organizations to monitor compliance with the construction specifications and project schedule, and evaluate the quality of FMRs implemented. In no case shall said amount be used for any other purpose. The DA shall ensure the timely engagement of evaluators for effective and efficient monitoring and evaluation.

8. **Implementation of Irrigation Projects.** The amount of Ten Billion Seven Hundred Ninety Million Nine Hundred Fifty Four Thousand Pesos (P10,790,954,000) appropriated herein for the irrigation projects of the NIA shall be used exclusively for the construction of new National Irrigation Systems (NIS) and Communal Irrigation Systems (CIS): PROVIDED, That said amount shall be released directly to its implementing units upon submission by the NIA to the DBM of a master plan not later than the effectivity of this Act to ensure timely procurement and/or implementation of the irrigation projects: PROVIDED, FURTHER, That the master plan shall include: (i) the over-all rationale and objective of the plan; (ii) list of priority production areas where the irrigation projects are to be constructed, as identified by the DA; (iii) implementation strategy and management arrangement; (iv) cost estimate; and (v) project components: PROVIDED, FURTHERMORE, That in the identification of priority production areas, the DA shall prioritize the: (i) areas where the majority of small farmers registered under the RSBSA are located; and (ii) provinces or regions where the absolute number of poor farmers and the incidence of poverty are high as identified in the latest official poverty statistics of the NSCB: PROVIDED, FURTHERMORE, That release of the amounts for the construction of new CIS shall be subject to the execution of a MOA between the NIA and the irrigator's association, which will benefit therefrom, with the following provisions, among others: (i) payment of amortization dues, with reasonable interest rates, by the members of the irrigator's association after every harvest; and (ii) proper maintenance by the members of the irrigator's association of the CIS as well as the repair and rehabilitation thereof whenever necessary, in accordance with the standards of NIA: PROVIDED, FINALLY, That the NIA shall ensure that the CIS amortization dues collected from members of irrigator's association shall be used for the regular maintenance of CIS constructed in the fourth to sixth class municipalities, and restoration of CIS.

In no case shall the amount appropriated herein for the construction of new NIS and CIS be used for the following: (i) rehabilitation, restoration and/or regular maintenance of the NIS and CIS; (ii) engineering or administrative overhead expenses related to the construction, rehabilitation, restoration and/or regular maintenance of the NIS and CIS; or (iii) Personnel Services or MOOE requirements of the NIA.

The NIA shall formulate a strategy to ensure the timely construction of new NIS and CIS during the planting and harvest season such as, but not limited to, the clustering of projects for cost efficiency in the procurement thereof and effective management and implementation of irrigation projects: PROVIDED, That NIS and CIS projects shall be implemented by qualified irrigator's associations which have the capacity to undertake said irrigation projects: PROVIDED, FURTHER, That NIS and CIS projects shall be implemented using coconut bio-engineering solutions consistent with the standard generic specifications set by DPWH and suitable for irrigation projects, as determined by the NIA: PROVIDED, FURTHERMORE, That in the hiring of workers for the implementation of said projects, priority shall be

given to the small farmers registered under the RSBSA: PROVIDED, FINALLY, That the NIA shall establish an effective monitoring system to ensure checks and balance in the implementation of all NIS and CIS projects.

The Administrator of the NIA and the Agency's web administrator or his/her equivalent shall be responsible for ensuring that the list of NIS and CIS to be constructed with the corresponding budgetary allocation, community of farmer beneficiaries, status of implementation of the NIS and CIS projects, project evaluation and/or assessment reports, and report on the collection of CIS amortization dues with the corresponding list of payors, are posted on the official website of the NIA.

9. **Implementation of Small-Scale Irrigation Projects.** The amount of One Billion Two Hundred Sixty Six Million One Hundred Thirty Two Thousand Pesos (P1,266,132,000) appropriated herein for the small-scale irrigation projects shall be used exclusively for the construction, rehabilitation and restoration of small-scale irrigation projects: PROVIDED, That said amount shall be released upon submission to the DBM of the following: (i) master plan prepared by the DA, which shall be made in coordination with the LGUs and irrigator's associations, showing the list of priority production areas, the distribution of projects per province, the small-scale irrigation facilities to be constructed or procured and the list of prospective farmer beneficiaries; and (ii) inventory of existing small-scale irrigation facilities per province: PROVIDED, FURTHER, That in the identification of priority production areas, the DA shall prioritize the: (i) areas where the majority of small farmers registered under the RSBSA are located; and (ii) provinces or regions where the absolute number of poor farmers and the incidence of poverty are high as identified in the latest official poverty statistics of the NSCB. In no case shall said amount be used for any other purpose.

Upon completion of the construction and/or procurement of the small-scale irrigation facilities, the DA shall turn over the management of the facilities, and transfer the ownership thereof, to the LGU or irrigator's association: PROVIDED, That the LGU or irrigator's association shall commit to ensure the proper maintenance and repair of the small-scale irrigation facilities upon acceptance of the facility from the DA, through the execution of a MOA, for the continued operation of the facilities.

10. **Implementation of Post-Harvest Development Services and Facilities.** The amount of Two Billion Nine Hundred Thirty Nine Million Four Hundred Thirty Five Thousand Pesos (P2,939,435,000) appropriated herein for implementation of post-harvest development services and facilities shall be used exclusively for the construction and/or procurement of community post-harvest development services and facilities: PROVIDED, That the implementation thereof shall be based on a master plan prepared by the DA, which shall include the: (i) over-all rationale and objective of the plan; (ii) implementation strategy and management arrangement; (iii) cost estimate; and (iv) project components: PROVIDED, FURTHER, That the DA shall prepare the master plan, in coordination with the LGUs and resident-farmers and fisherfolks taking into account the types of crops harvested and fish species, the facilities needed to preserve the quality of crops and fish species and reduce post-harvest losses, and such other factors affecting optimum level of crop production and fish preservation: PROVIDED, FURTHERMORE, That the DA shall prioritize the: (i) areas where the majority of small farmers and fisherfolks registered under the RSBSA are located; and (ii) provinces or regions where the absolute number of poor farmers and/or fisherfolks and the incidence of poverty are high as identified in the latest official poverty statistics of the NSCB. In no case shall said amount be used for any other purpose.

Upon completion of the procurement and/or construction of the post-harvest development facilities, the DA shall turn over the management of the facilities, and transfer the ownership thereof, to the LGU, or farmers or fisherfolks organization: PROVIDED, That the LGU, or farmers or fisherfolks organization shall commit to ensure the proper maintenance and repair of the post-harvest development facilities upon acceptance of the facility from the DA, through the execution of a MOA, for the continued operation of the facilities.

11. **Payapa at Masaganang Pamayanan Program.** The amount of One Billion Seven Hundred Twenty One Million Five Hundred Twelve Thousand Pesos (P1,721,512,000) appropriated herein for the Payapa at Masaganang Pamayanan (PAMANA) Program shall be used exclusively to implement projects in conflict-affected areas already identified by the Office of the Presidential Adviser on the Peace Process (OPAPP). In no case shall said amount be used for any other purpose.

The DA shall submit, either in printed form or by way of electronic document, to the OPAPP quarterly reports on the status of the implementation of the PAMANA Program including the list of projects and beneficiaries and their corresponding amounts. The Secretary of Agriculture and the Agency's web administrator or his/her equivalent shall be responsible for ensuring that said quarterly reports are likewise posted on the official website of the DA.

12. **Allocation for the Autonomous Region in Muslim Mindanao from Nationally Funded Projects.** The DA shall ensure that the requirements of ARMM are provided in the regional allocation of funds for the National Program for Rice, Corn, High Value Commercial Crops, Livestock, and Organic Crops. The funds for the purpose shall be released directly to ARMM-Department of Agriculture and Fisheries, through the Office of the Regional Governor based on, and made only upon submission by the DA of the allocation for ARMM per province, copy furnished said provinces.

The Secretary of Agriculture and the Agency's web administrator or his/her equivalent shall be responsible for ensuring that the amounts allocated for ARMM per province are posted on the official website of the DA. In addition, the ARGMM shall submit, either in printed form or by way of electronic document, to the DBM and DA, separate quarterly reports on the implementation of the foregoing programs, per province, in the ARMM. The Regional Governor of ARGMM and the Regional Government's web administrator or his/her equivalent shall be responsible for ensuring that said quarterly reports are likewise posted on the official website of the ARGMM.

13. **Emergency Purchase.** Emergency purchase by the DA may be resorted to for the cure and prevention of epidemics, such as, but not limited to, Avian Influenza. Products or goods bought during an emergency should be delivered and distributed for the duration of the emergency. Any emergency purchase shall be made in accordance with the provisions of R.A. No. 9184 and its Implementing Rules and Regulations and subject to pertinent accounting and auditing rules and regulations.

Message, December 20, 2013, page 1110, R.A. No. 10633)

15. Appropriations for Programs and Specific Activities. The amounts appropriated herein for the programs of the agency shall be used specifically for the activities in the amounts indicated under the Details of the FY 2014 Budget attached as Annex A (Volume 1) of this Act.

PERFORMANCE INFORMATION

KEY STRATEGIES

1. Facilitate and promote diversification of production and livelihood options
2. Improve rural infrastructure and facilities
3. Develop markets and sharpen regulatory competence
4. Strengthen research, development and extension (R, D & E)
5. Improve the sector's credit access
6. Secure food availability and affordability
7. Create job opportunities by expanding existing markets, aggressively exploring new markets and promoting private investments on agro-industries, agri-services, agro-forestry and fisheries, in both public-private partnership and private sector-led modes
8. Localize agricultural promotion and development in accord with the subsidiarity principle. Regional strategies must take precedence in championing local commodities and promoting sector competitiveness
9. Promote more value-adding into products and develop the capacities of stakeholders for value-chain management
10. Promote vertical and horizontal integration of input, production and marketing (e.g., agro-industry clustering)
11. Strengthen the country's agricultural exports by focusing resources on high-value crops (fruits and vegetables, ornamentals, rubber, oil palm, coffee, coconut, etc.) and fishery products (e.g., grouper, seabass, seaweeds, etc.), where comparative advantage is high, and
12. Expand investments in aquaculture and other food production areas

Special Provision(s)

1. Use and Release of the National Fisheries Program. The amount of Three Billion Seven Hundred Twenty One Million One Hundred Twenty Thousand Pesos (P3,721,120,000) appropriated herein shall be used exclusively for the National Fisheries Program: PROVIDED, That in the implementation of said Program, the BFAR shall prioritize the: (i) areas where the majority of small fisherfolks registered under the Registry System for Basic Sectors in Agriculture (RSBSA) are located; and (ii) provinces or regions where the absolute number of poor fisherfolks and the incidence of poverty are high as identified in the latest official poverty statistics of the National Statistical Coordination Board (NSCB). In no case shall said amount be used for any other purpose.

2. Implementation of Fish Port Projects. The amount of Four Hundred Eighty Million Pesos (P480,000,000) appropriated herein for Fish Port projects of the Philippine Fisheries Development Authority (PFDA) being the fisheries post-harvest infrastructure arm of the Department shall be used exclusively for the construction of fish ports: PROVIDED, That said amount shall be released directly to the BFAR upon submission to the DBM of the location or sites where the fish ports will be constructed and the result of the feasibility study conducted by the Philippine Fisheries Development Authority on the viability of sites for fish port investment: PROVIDED, FURTHER, That the BFAR shall identify said sites, in coordination with the LGUs and resident-fisherfolks and taking into account the number of fisherfolks and their families who shall benefit therefrom and the amount, kind and importance of fisheries products produced in the area: PROVIDED, FURTHERMORE, That the BFAR shall prioritize the: (i) areas where majority of small fisherfolks under the RSBSA are located; and (ii) provinces or regions where the absolute number of poor fisherfolks and the incidence of poverty are high as identified in the latest official poverty statistics of the NSCB.

The PFDA shall formulate a strategy to ensure the timely implementation of fish port projects such as, but not limited to, the clustering of fish port projects for cost efficiency in the procurement thereof and effective management and implementation of said projects.

The Director of BFAR and the Bureau's web administrator or his/her equivalent shall be responsible for ensuring that the identified sites for fish ports, community of fisherfolk beneficiaries, fish ports to be constructed for the year with the corresponding budgetary allocation, status of implementation of said projects, and project evaluation and/or assessment reports are posted on the official website of the BFAR.

3. Implementation of Post-Harvest Development Services and Facilities. The amount of One Billion Eighty Eight Million Four Hundred One Thousand Pesos (P1,088,401,000) appropriated herein for implementation of post-harvest development services and facilities shall be used exclusively for the construction and/or procurement of community post-harvest development services and facilities: PROVIDED, That the implementation thereof shall be based on the master plan to be prepared by DA pursuant to Special Provision No. 10 under the DA-Office of the Secretary. In no case shall said amount be used for any other purpose.

Upon completion of the procurement and/or construction of the post-harvest development facilities, the BFAR shall turnover the management of the facilities, and transfer the ownership thereof, to the LGU or fisherfolks organization: PROVIDED, That the LGU or fisherfolks organization shall commit to ensure the proper maintenance and repair of the post-harvest development facilities upon acceptance of the facility from the BFAR, through the execution of a MOA, for the continued operation of the facilities.

4. PAYAPA at MASAGANANG PamayanAN Program. The amount of Fourteen Million Fifty Thousand Pesos (P14,050,000) appropriated herein for the PAYAPA at MASAGANANG PamayanAN (PAMANA) Program shall be used exclusively to implement projects in conflict-affected areas already identified by the Office of the Presidential Adviser on the Peace Process (OPAPP). In no case shall said amount be used for any other purpose.

The BFAR shall submit, either in printed form or by way of electronic document, to the OPAPP quarterly reports on the status of the implementation of the PAMANA Program including the list of beneficiaries with their corresponding projects and amounts. The Director of BFAR and the Bureau's web administrator or his/her equivalent shall be responsible for ensuring that said quarterly reports are likewise posted on the official website of the BFAR.

5. Allocation for the Autonomous Region in Muslim Mindanao from the National Fisheries Program. The BFAR shall ensure that the requirements of ARMM are provided in the regional allocation of funds for the National Fisheries Program. The funds for the purpose shall be released directly to ARMM-Department of Agriculture and Fisheries, through the Office of the Regional Governor based on, and made only upon submission by the BFAR of the allocation for ARMM per province, copy furnished said provinces.

The Director of BFAR and the Bureau's web administrator or his/her equivalent shall be responsible for ensuring that the amounts allocated for ARMM per province are posted on the official website of the BFAR.

In addition, the ARGMM shall submit, either in printed form or by way of electronic document, to the DBM and BFAR, separate quarterly reports on the implementation of the National Fisheries Program, per province, in the ARMM. The Regional Governor of ARGMM and the Regional Government's web administrator or his/her equivalent shall be responsible for ensuring that said quarterly reports are likewise posted on the official website of the ARGMM.
